

# • VILLAGE HIGHLIGHT: WABAN •

## Favorite thing about your village

The winding roads lined with old trees and 100-year-old homes that lead to our wonderfully preserved historic village center.

## Favorite place for coffee or a snack

Waban Market (good place for wine too), Starbucks, Barry's Deli (Crab salad and the Reuben)

## Favorite Restaurant

Stone L'Oven

## Fun playground or park

Warren Lincoln Field with the enclosed playground built by the neighbors, Angier Field and the Aqueduct trail - my dogs love those too. Now we have the Waban Common where we may start holding events. Quinobequin trail is adventurous but it's not for the distracted - traffic can be a challenge.

The Pitts family

Chris Pitts has lived in Waban since 2001. He is a video producer and performing artist, he is also Chair of the Linda Plaut Festival of the Arts, Co-Chair of the Newton Cultural Council, President of the Waban Area Council, and VP of the Waban Improvement Society which produces the Newton Piano Summit.

## Annual Village Events

Waban Village Day, Waban Progressive Dinner, Holiday Tree lighting and sing along, Author talks at the Library, Newton Serves, if you join the Windsor Club there are some great annual events.
